Basic Situation

Different structures at project partners - similar problems

- Different use of career guidance
- Too much information causes resignation
- Focus on few professions
- Wrong career choice causes drop outs
- Little acceptance of career guidance and coaching
- Different quality of information, guidance and support

Task

- Development of a concept and selection of material

Concept

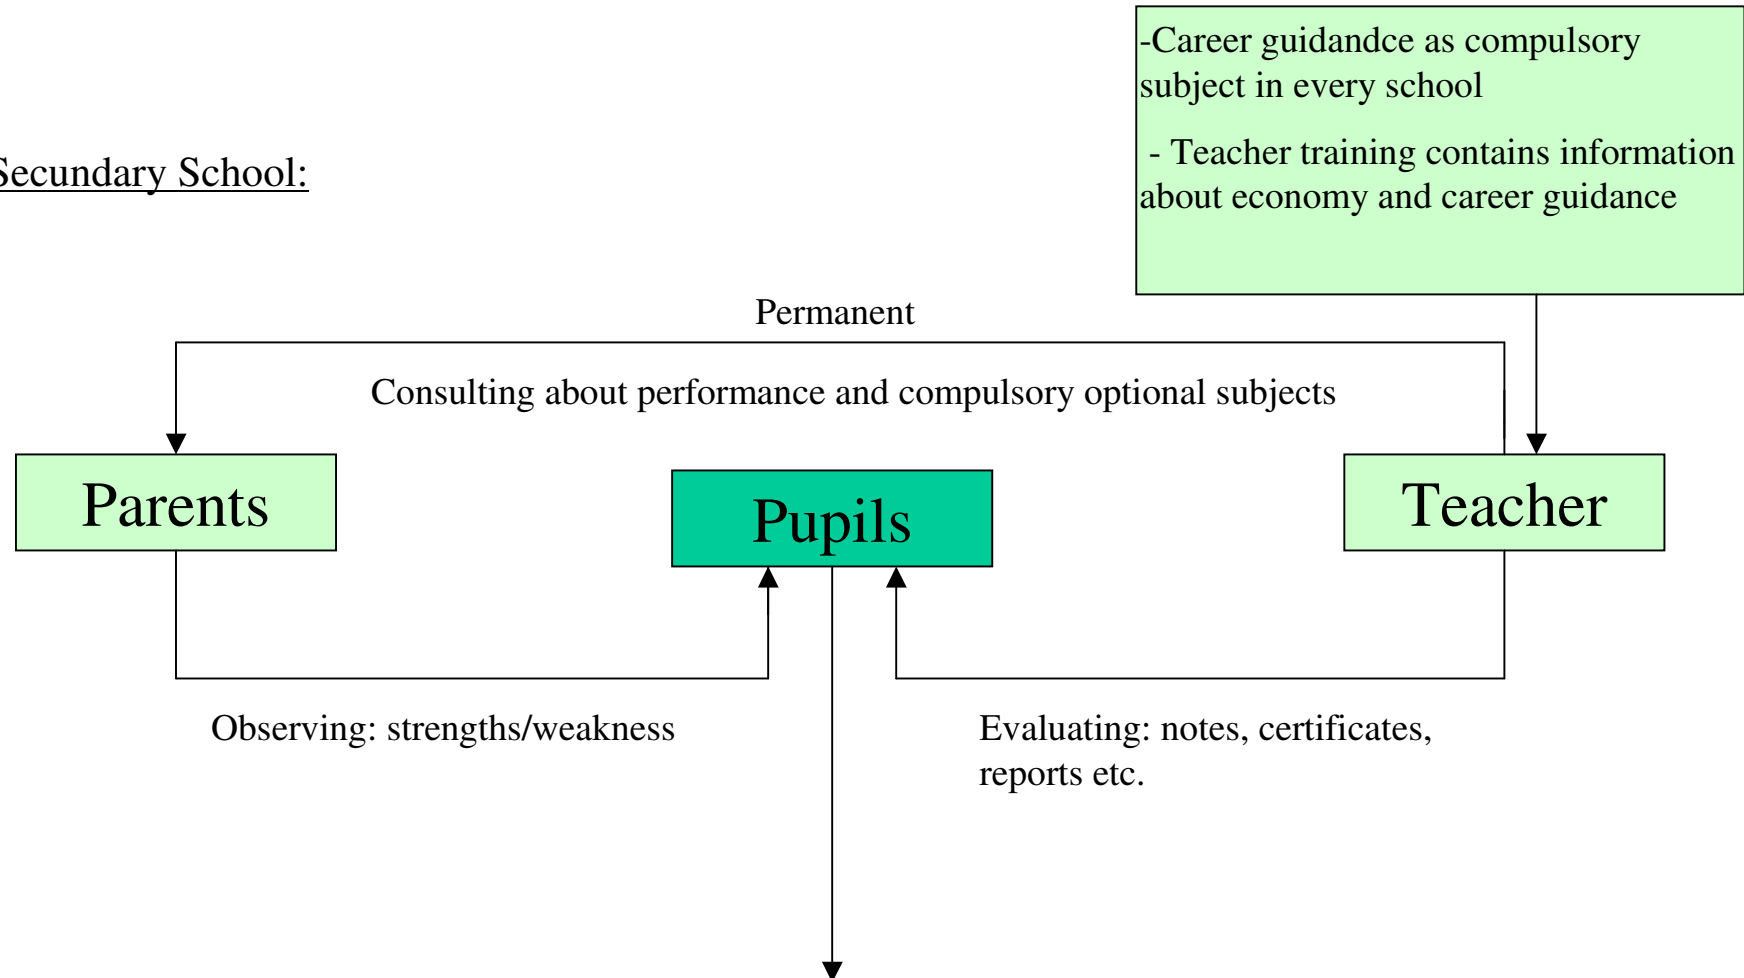

Best practice process - structure model for networking - aims

- Sensitization for Coaching
- Training of competence for career and independence
- Guarantee for support by network with concrete responsibility
- Prevention of drop-outs

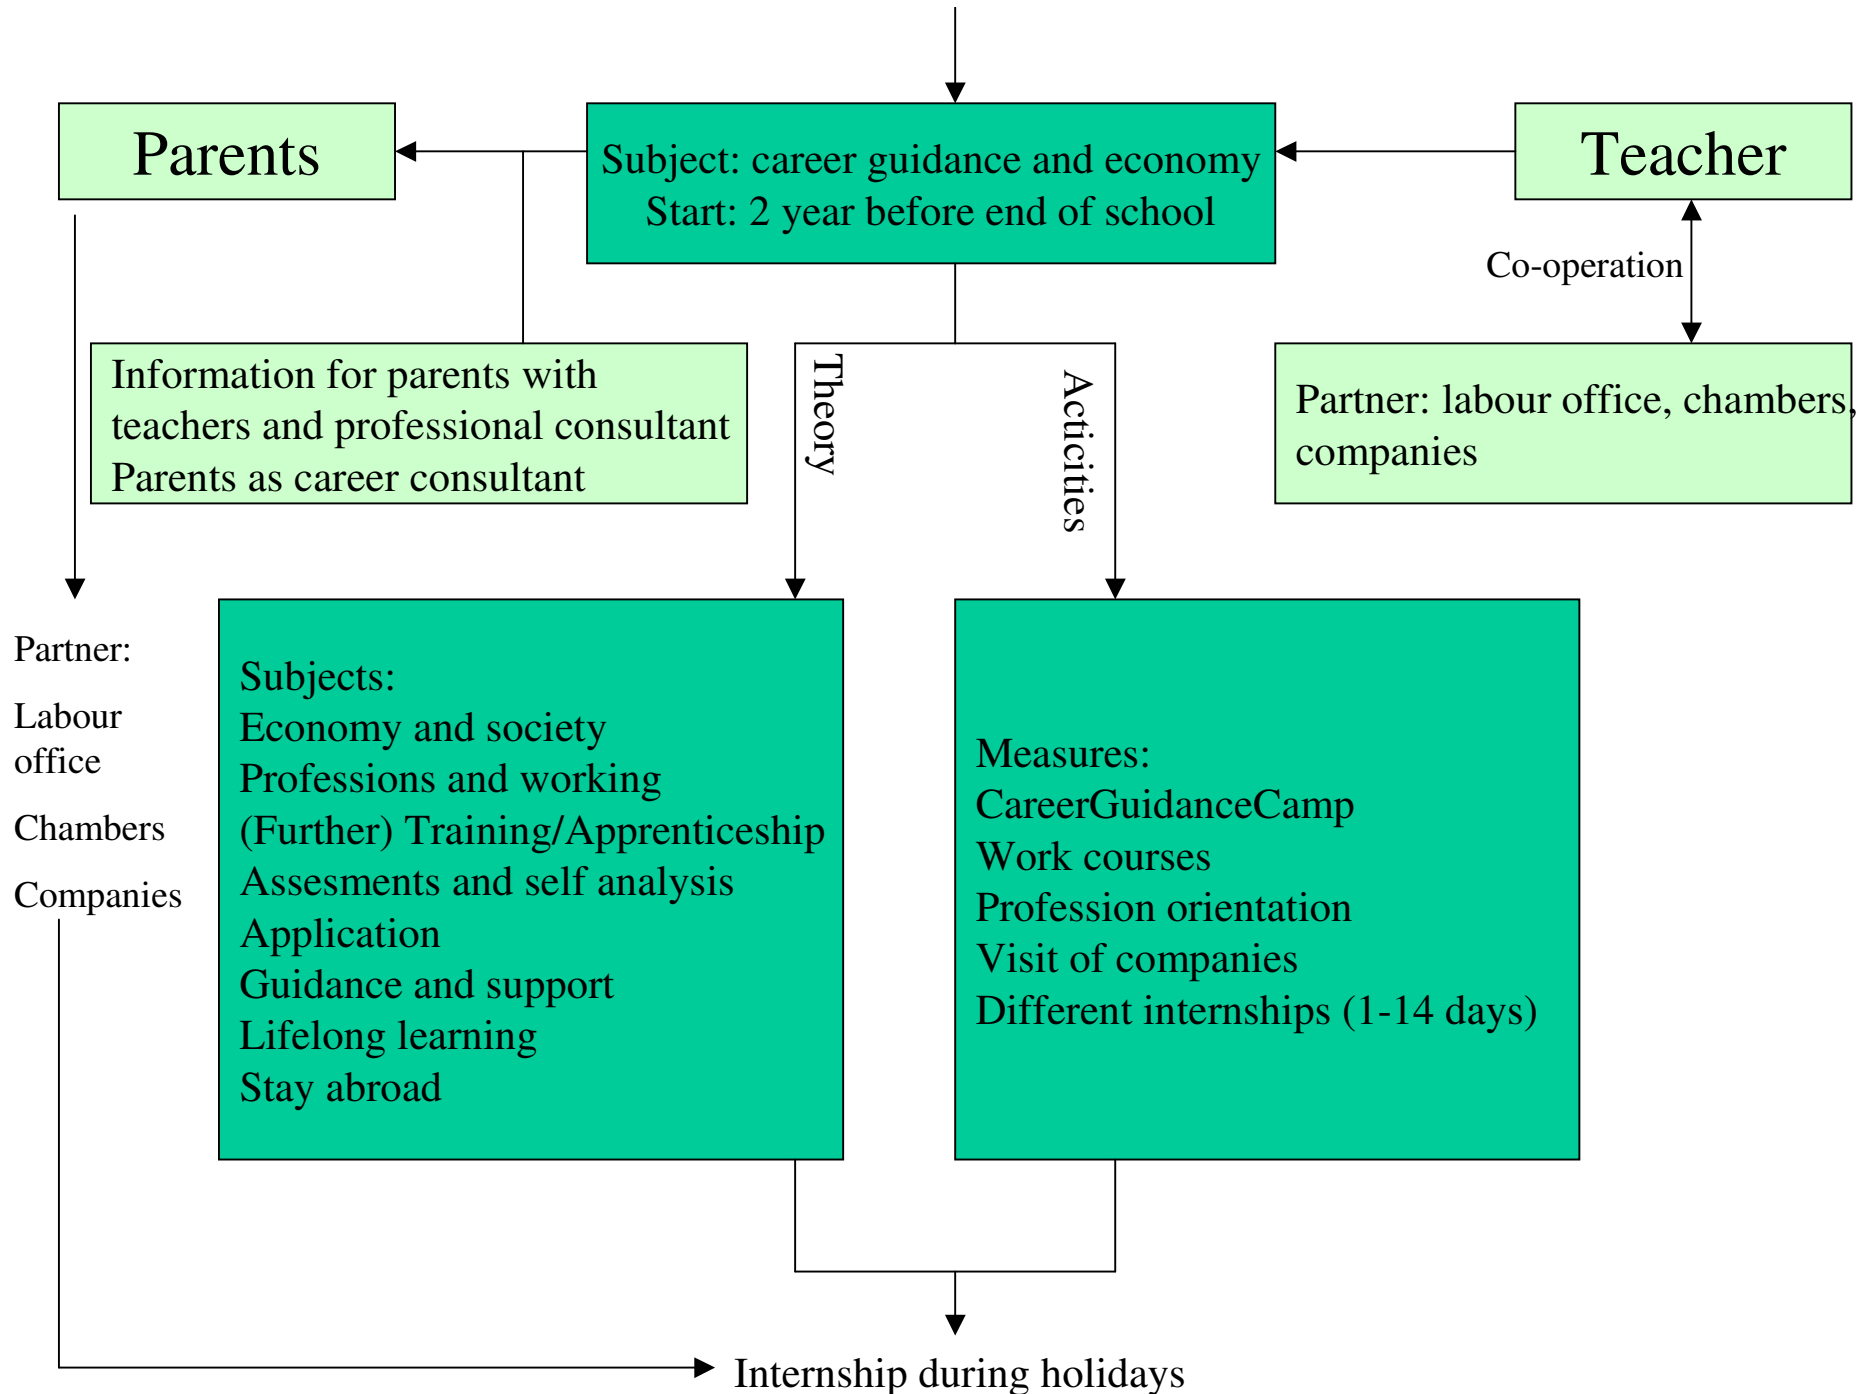

- Stay abroad as an integral part of training with basic (intercultural, language and social competence), additional (management know how) and special use (technology)
